CasaSandra Boutique Hotel Activities and Amenities

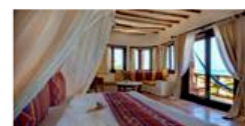

Resort amenities including a swimming pool, live music at Noche Cubana every Saturday, and tequila tasting and mixology classes led by an expert sommelier.

Owner Sandra Perez -- painter, poet, Latin Grammy Award winner and muse to famed Cuban musician Pablo Milanes -- built CasaSandra as an artist's retreat. The spirit of the home and art remain, reflected in her studio's open-door policy. The original artwork, decor and furnishings all reflect her unique sensibilities, resulting in a luxe but laid-back vibe.
